

At Receptra, we create our full spectrum CBD hemp extracts to give you the tools you need to live a better, healthier, and more active life. Rest you can rely on isn't a luxury; *it's essential.*

## RECEPTRA™ REST FORMULATIONS

Receptra™ Serious Rest tincture and Gummies are custom-formulated with added terpene and botanicals to further enhance the sleep benefits of CBD. The tincture 25mg/dose strength is 750mg CBD per 1 oz bottle. Gummies are also 25mg/dose. Notable ingredients include:

### Linalool

A terpene with sedative qualities that promotes sleep, relaxation, and helps one to cope with stress.

### Valerian Root

Improves quality of sleep, reduces the time to fall asleep, helps with stress management.

### Chamomile

Regarded as a mild sleep inducer, decreases anxiety to help initiate sleep, has calming properties.

### CBN

A naturally occurring cannabinoid that encourages better rest.

## RECEPTRA™ REST PRODUCTS

### Seriously RELAX

Receptra Relax Hemp Extracts are formulated to encourage a calm focus while providing a natural defense for life's daily stresses. Capsules are a great on-the-go option and Relax Body Oil is the ideal complement to a daily regimen or to promote relaxation when you need it most.

### Serious RELIEF

Serious pain needs Serious Relief. CBD Drops and Gummies with added turmeric and CBD Targeted Topicals™ with arnica are meant for weekend warriors, active lifestyles, and all the aches and pains that come with continuing to move forward.

### Serious CBD for Wellness

Receptra Serious CBD for Wellness is a minimal-ingredient, full spectrum hemp extract option. This product is for both those with advanced wellness needs, and for those new to using Receptra Naturals products.

### Receptra PET

The same Endocannabinoid System found in the human body that activates our cannabinoid receptors is also found in any animal with vertebrae, making CBD a natural way to proactively care for their health and well-being.

REST. RELAX. RELIEF.  
RECEPTRA.

Serious  
**REST**  
for Nighttime

Formulated for Better Sleep  
Strength You Can Rely On

## REST When You Need It

At Receptra, we create our full spectrum CBD hemp extracts to give you the tools you need to live a better, healthier, and more active life. Rest you can rely on isn't a luxury; it's essential.

### Why We're Serious

It's personal to us. CBD has improved our lives and the lives of our loved ones, and we believe that the truth is curative. You deserve more than just "getting through" life; you deserve the tools to live better and healthier.

### Why We Make It Simple

Life is already complicated enough. At Receptra, we aim to do all we can to make it easy to find what's right for you with straightforward products and clear instructions. And we have real people on call to answer any questions or concerns.

### Why Transparency Matters

We're confident in our products, but we believe trust is earned. So, we go the extra mile, using fully accredited and licensed third-party labs, to show you what you're putting in your body. But don't just believe us - believe the full Certificate of Analysis we make available for all of our products.

## Receptra™ Serious REST Gummies

These delicious gummies feature all-natural Mountain Strawberry flavor, and are powered by full Spectrum CBD hemp extract with the added benefits of CBN, a hemp-based cannabinoid known to help to achieve better rest without melatonin.
